The 2026 annual Trail of Courage Living History Festival will be held **Sept. 19-20. Hours: Sat. 10 a.m. – 6 p.m. Sun. 10 a.m. – 4 p.m.** This event will be our 50th since 1976! **Friday Sept. 18 will be School Tour Day.** You can volunteer to give a presentation to groups of students or you can visit with other participants and just enjoy the day. No set-ups will be allowed from 9 a.m. to 2 p.m. because of the schools. This must be enforced for insurance purposes.

WE CORDIALLY INVITE YOU to apply to participate in this exciting event. A variety of activities is planned for this year including a full schedule of history-related programs on the Chippeway Village stage and the Hillside Amphitheater stage, muzzle-loading shoots, authenticity competitions for camps, booths and participant clothing, demonstrations of traditional crafts and skills, Indian and pioneer dancing for all, canoe rides, and much more. Please consider making application to be a part of it all!

HISTORIC CAMPS - In order to eliminate fussing, quibbling and cussing, we will assign campsites. Pre-registered folks get the spots they have had in previous years. Those who register when they arrive will take what is left - show your participant's packet to the Camp Commander so he can show you your campsite. Do not set up camp until you know which camp is yours or you might have to move. You will be assigned a camp within your correct historic period. See application for list of these categories. Your pre-registration must be in by Aug. 15. All first-time participants must pre-register and be accepted by review of the Steering Committee. Please read carefully all of the enclosed literature before filling out an application, and be aware that by signing your application you agree to abide by all Trail of Courage rules and policies.

THE PRIMARY PURPOSE of the Trail of Courage is to educate the public, and to preserve and promote an accurate picture of life in frontier Indiana, as well as other areas and time periods of North American history, including the French & Indian War, voyageurs, Revolutionary War, War of 1812, Woodlands and Plains Indians, Western Fur Trade and Frontier Indiana. Authenticity in dress and camp or set-up is required for participation. Please make your camp, your clothing, your trade goods, and everything you bring as authentic as you possibly can. It will be appreciated, and many will be rewarded with recognition and praise.

WE ESPECIALLY HONOR the courage of the American Indians. We want to commemorate the Indian way of life and revitalize and adopt their respect and treatment of the environment. Conservation of Mother Earth is greatly needed now, and we can learn a lot from the American Indians. As we have done each year since we began this festival in 1976, we recall the courage of the Potawatomi on the forced removal from Indiana to Kansas in 1838, called the Trail of Death because so many died along the way.

TRAIL OF COURAGE is not a craft festival or a rendezvous -- it is much more. It is an event aimed at educating each of us in various facets of our country's history through the life styles, tools, crafts and foods of 1700-1840 historic periods. When combined, these separate elements can form a "time machine" which can transport us and the public back in time where we can celebrate our successes, learn from our mistakes, and carry a proud legacy into the future. But this is possible only if we respect all races and nationalities and their many contributions.

GENERAL ADMISSION: For the visiting public the price is Adult \$10, children 6-11 \$5, age 5 & under free, students on bus \$5 each on school day. Your friends can earn free admission by helping FCHS before, during or after. Contact FCHS to sign up to work.
